

CATCHLINE: Senses Episode 2 - Sound

TX date/time: UNKNOWN

REPORTER: UNKNOWN

Total duration: 20:08

---

Senses is an educational podcast series focused on those who have a disability due to the loss of a sense.

In this episode, we focus on the sense of hearing and the sensation of sound. Megan, a student at the University of Lincoln explains what its like to be deaf in her left ear and the Lincoln Deaf Children's Society show us what support they provide for parents wit children who have hearing loss. George Tipler, an audiologist at AllHear in Lincoln, also provides a professional opinion on sound and its impact on young people.
